Notice of full road closure update, Radstone Road, Radstone

June 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

In the middle of June, we will be carrying out a variety of works along Radstone Road. These works will include some localised vegetation clearance, the realignment of our internal site access road and adjustment of the vehicle restraint barrier. These works are required to enable future works to continue and to allow access to areas of the site.

Due to weather conditions in the autumn, we were unable to complete all of the required vegetation clearance, specifically the removal of some roots. We apologise for any inconvenience this may cause.

These works will require full road closures to allow concrete to set and also because our team will be working directly in the carriageway.

When will these works take place?

A section of Radstone Road will be closed 24-hours a day, with signed diversion in place, from Monday 17 June to Friday 28 June.

Due to circumstances outside of our control, such as weather, it may take additional days to allow concrete to dry. Therefore, Radstone Road may remain closed until Monday 1 July.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
